COMMENTS

Exiting Data for Table 3 is collected on December 1 for the previous year. This report covers the period of December 1, 2004 through November 30, 2005

ND has no redetermination points. Once a child is eligible they remain eligible until they are 3 years of age . Because they remain eligible they exit only when withdrawn by their parents or guardians. That is why there is no data to report for Section A.1
